

Chapung Sebali Resort

Awarded MICHELIN Keys 2025 for Exceptional Hospitality

Ubud, Bali – Friday, October 10, 2025 – Chapung Sebali is proud to announce that it has been awarded a MICHELIN Keys 2025 distinction, recognising the resort as one of the world’s most outstanding hotels offering exceptional quality and guest experience.

The newly launched MICHELIN Keys by the MICHELIN Guide celebrates hotels that exemplify excellence in hospitality, design, and sense of place. Each key represents a property that delivers not only comfort and luxury but also a memorable and authentic travel experience.

Located on the ridge of the Wos River Valley in Ubud, Chapung Sebali blends Scandinavian contemporary design with Balinese cultural heritage, creating a destination that is both sophisticated and deeply connected to its surroundings. The resort features 22 private pool villas and 8 elegant suites, complemented by the renowned Jungle Fish Pool Bar, The Upper Deck Restaurant, and Chapung Spa, each contributing to the property’s distinct sense of style and serenity.

Since its opening, Chapung Sebali has been celebrated for its innovative approach to luxury — combining timeless design, locally inspired dining, and a strong focus on wellness and sustainability. The MICHELIN Keys 2025 recognition further affirms Chapung Sebali’s position as one of Bali’s most distinguished and sought-after resorts.
