The Day of Silence

# The Day of Silence - Nyepi

Nyepi, the Balinese New Year (Saka 1948), falls on Thursday, March 19, 2026. Observed from 6 AM to 6 AM the following morning, the island of Bali comes to a complete standstill in a day dedicated to silence, reflection, and spiritual renewal.

Unlike most New Year celebrations, Nyepi is marked by quietness and self-introspection. Streets are empty, lights are dimmed, and daily activities pause across the island.

In the days leading up to Nyepi, you may witness important ceremonies:

## **Melasti** – March 15–17, 2026

Sacred processions to the sea for ritual purification.

## **The Tawur Ceremonies** – March 18, 2026 (evening)

A cleansing ritual performed to harmonize the environment and ward off negative spirits.

## **Ogoh Ogoh Parade** – March 18, 2026 (after sunset)

A lively procession of giant effigies accompanied by traditional gamelan music, symbolizing the clearing of negative energies before the Day of Silence.

## During Nyepi

We understand this may be a unique cultural experience. Hotels are permitted to operate with adjustments for guest comfort. During Nyepi, we kindly ask for your understanding:

- Please keep noise to a minimum; no loud music and outdoor lights must be switched off at night.
- Guests may move freely within the resort grounds but not outside the property.
- Internet access via the resort's Wi-Fi remains available.
